**Mia's Secret** is atop the west side of Dry Creek Valley at 1,200 feet. You'll cross a stream, as you drive up a rocky, rutted road 3-miles from the valley floor.

The vines produce a wine plush with berry flavors, an oaky vanilla mid-palate and a white pepper finish. Each sip reveals a complexity and balance which is somewhat remarkable because nothing else was blended in. It is 100% Zinfandel.
